

Golden moments

A touching moment, the presence of legendary stars and, above all, a father taking off time from his hospital bed to wish his son luck — that was the case on Friday.

Restaurateur **SUNIL KAPOOR** could not have asked for more as he brought his Copper Chimney to Lotus Court in Worli, a few metres from its earlier location. With new decor, bright lights, the place is totally re-done. Wishing him luck was none other than veteran actors **DILIP KUMAR** and **WAHEEDA**

REHMAN, making a rare appearance together. Kumar, in a black jacket, was in excellent form, showing no signs of his recent illness, while Waheeda on the other hand, simply glowed in her red

sari. Kumar also tried his hand at the barbecue. However, the high-point of the evening was the presence of **J K KAPOOR**, the father of the host, who came in for a short while to wish his son good luck, in spite of his illness. Guests included patrons who have been regulars for over 30 years. We also spotted Maharashtra **DG SUBHASH MALHOTRA**. Sunil was discussing his plans with friends of resurrecting his other restaurant, Bombay Brasserie, just behind Copper Chimney into a fine dining place. We're waiting for that one!
